Subject: Credit Source

Spencer,

Got your e-mail and copy of the agreement. I will coordinate with you to schedule a trip to Credit Source later this fall.

I imagine you had many friends or people you knew from Manhasset/LAX/Basketball die in the WTC atrocity. Hope it has not been too grim for you and your wife and the boys.

I saw Gail yesterday and she said you were doing very well with your client base. Good job!

JW
