Howard --

As always, it was a pleasure speaking with you today. I have attached the memo elaborating on the integrated CMBS business plan ("Project Atlas") that my team is poised to execute. Thank you also for agreeing to field a call from the Principal who will head up the Equity Fund component to this initiative. His name is Bob Clark, who currently runs Aegon's REAP opportunity fund. Among the broad range of real estate debt and equity investments, the REAP fund has also invested in energy properties.  [Project Atlas - Memo to Targeted Sponsors.doc \(191KB\)](#)

In addition, I have attached my son Michael's sports resume, which perhaps may be helpful as a guide for your son, Bill. Let me know if I can help in any way.  [Resume-MichaelS.Young \(6-30-03\).doc \(39KB\)](#)

All the best,

Spencer
